HOMECOMING 1968

"Humanity Revisited" was the theme of La Canada High's fourth homecoming celebration. The week's activities started on Tuesday with our own campaign day to go along with the National Election. Wednesday was a colorful clash day. Thursday was girls' privilege day. And Friday was red and gold day. The floats were original and very well done this year. First place in float competition was given to the class of 1970 for the "Spirit Train." To highlight the homecoming week, the football game was played against San Marino. Tommy Trojan of USC was our special guest!

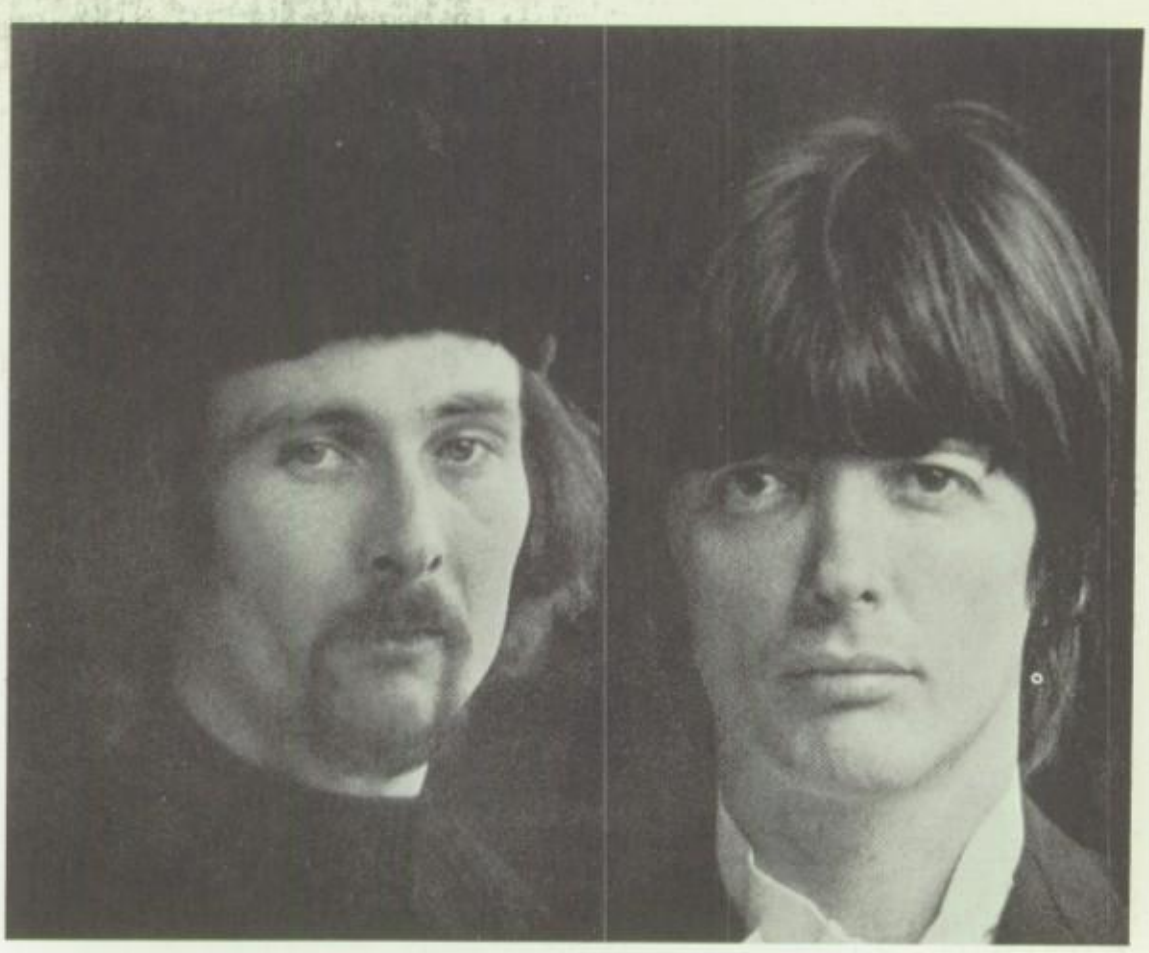
ASSEMBLIES

Our guests for Assemblies this year included: Seals and Crofts, a delightful group from the Ice House; The Bob Mitchell Boys Choir; John Goddard, with exciting adventures from Africa; and the Willamette choir.



Student talent runs high at La Canada, among our performers in the Talent Show were the Supremes (?). "Just Another Group", played their soft rock music at another assembly.

Drama classes presented "Skin of Our Teeth" during the fall semester and at an All Senior assembly the play "J.B." was produced.

THE YEAR OF THE HUMANITIES

La Canada High School dedicated the 1968-1969 school year to THE BROTHERHOOD OF MANKIND. In dedicating this year it was hoped that there would be a general feeling of love for the human race throughout the student body. We would like to extend special thanks to Mr. Robert Barker for carrying through with this wonderful idea.

Cathy Haglund and Tassie Ryan won Sweepstakes in the Humanities Art Contest.

Students picketed the Plaza for "Our Town."

IT WAS A VERY GOOD YEAR.

Specializing in secular music of the sixteenth century, the Madrigals have proved themselves worthy of the enthusiastic praise they have received.
